The Department of Speech, Language, and Hearing Sciences at Texas Tech University Health Sciences Center seeks candidates for 12-month, tenure-track faculty positions at the Assistant/Associate level for the Audiology and Speech-Language Pathology programs. Rank and salary are dependent upon qualifications and experience. Responsibilities include undergraduate and graduate teaching in areas of expertise; development of a dynamic research program; clinical supervision and mentoring of master’s and doctoral students, and service to the department and University. Qualified applicants will have a PhD in Communication Sciences and Disorders or related field, CCC, and eligibility for Texas licensure. More information about the department and its programs can be found at http://www.ttuhsc.edu/health-professions/programs.aspx

The Texas Tech University Health Sciences Center (TTUHSC) is a multi-campus institution, with the campus in Lubbock serving as the administrative center. The Department of Speech, Language, and Hearing Sciences offers two undergraduate programs (Traditional Bachelor’s and a post-baccalaureate) and three graduate programs (Master’s in SLP, AuD, and the Communications Disorders concentration for the PhD in Rehabilitation Science). Anticipated start date is August 1, 2019 or thereafter. Candidates should apply online at http://www.texasTech.edu/careers/faculty-positions.php; requisition number 14981BR (SLP) or 14983BR (Audiology).

For additional information, contact Dr. Candace Hicks (candace.hicks@ttuhsc.edu)

The TTUHSC is an Equal Opportunity/Affirmative Action/Veterans/Disability Employer.
